## EDITOR'S MESSAGE

What is there to say at the end of such a happy school life? The things that some of us have participated in will now become memories, and the dreams we have dreamed will be lived in reality in the near future. But for others the end of this school year is just one more step in the ladder of success. We, the seniors, have reached the greatest step and feel proud of it, just as every other student attending Corrigan High School.

I wish to extend my appreciation to these persons who helped make this annual possible: Mrs. Morrison; Mr. Ray; Mrs. Cobb; Mr. Cockrell; Mrs. Cocreham; Mr. Manry; the Henington Publishing Company; Mr. Darrell Lundgren, our school photographer; Mr. Jennings, our local photographer; and all the students who have spent so many hours of hard work on the pages of this yearbook. Each of us hopes that this book will live in the hearts of every person who views the pages. I am proud of it and am proud to have been able to serve it.

Sincerely,

*Ed Wayne Barton*

Corrigan School is a good school and this could not be true without its progress being promoted by the capable leadership of our Board of Education. These men never get too busy to give of their service in making plans for the boys and girls of our community to receive the best education possible.

Hats off to the trustees of our school district!

# ADMINISTRATION

Dear C. H. S. Students and Co-Workers,

This year marks the tenth year that I have been privileged to serve as your superintendent. This has been a very happy and satisfying experience. My associations with you have meant much to me in the way of professional growth; and I trust that I have, to some extent, been able to assist you in your problems of life adjustment.

This yearbook will be a valuable volume in my library of memories and will even be treasured more as time tends to separate us. I would have you realize that the pleasure you will receive in future years from the memories recorded here will be in direct proportion to the happiness and accomplishments attained today.

Sincerely yours,

*F. D. Manry*

# ADMINISTRATION

Dear Students,

This yearbook is a splendid record of the events and achievements of the 1955-56 school year. It portrays not only the worthwhile things you have accomplished but also the fun you have had while doing it. It is my hope that your future lives will follow this pattern....many lofty goals attained, many great victories won; and a lot of fun and happiness along the way.

Sincerely,

*J. R. Cockrell*

A house is no more secure than is its foundation. Neither is your future more secure than the foundation of your education.

As you are about to launch upon another portion of the road of life, my hope is that you have taken advantage of the opportunities afforded you thus far, and that you make only wise choices as you travel ahead.

To you who are yet to travel this way, always seek the truth, be satisfied with nothing but the noblest, despair not at defeat, fashion your life from the pattern laid out by the Master, and the world will be a better place because you have lived.

Very truly yours,

# THE NATIONAL HONOR SOCIETY

The National Honor Society is one of the most important organizations in our school. Membership in the organization is based on scholarship, leadership, character, and service. Some of their annual projects have been sending Christmas cards to ex-students of C. H. S. who are in the service, office work, and library work.

In the picture below the pledges are being initiated in a candle-lighting ceremony.

Mr. Byron Shelton, Corrigan's fine band director, is a graduate of Loyola University of the South. He also has attended Louisiana State University and Stephen F. Austin State College. Due to his outstanding teaching, the band has shown great improvement.

The Corrigan High School Band was present for every football game during the 1955 football season. The band also participated in the Cold Springs Fair and Parade, Livingston F. F. A. Parade, Woodville Dogwood Festival, Jasper Marching Contest and received second division. A group of band students went to New London to watch a marching contest which they thoroughly enjoyed.

1956 marks the second year of Elizabeth Sirman's career as Drum Majorette. She has been most successful in her dealings with the band and will be missed a great deal next year. Elizabeth attended Huntsville Twirling School for two years and Galveston for one year. She had six weeks of private training under Mr. C. R. Hackney at Huntsville.

Emma Sue Smith, a capable twirler who was always willing to work for the band, has attended Cleveland, Huntsville, and Galveston twirling schools. Emma Sue will really be missed by the band next year.

*Best wishes  
to a very  
sweet girl!  
Emma Sue*

Ann Marsh, an intelligent twirler who helped the band to be a success, has attended Huntsville and Galveston twirling schools. This is her last year as a majorette.

Molly Ann Smith's personality along with her twirling ability has won her the praise of every band student. Molly entered a twirling Contest at Jasper and won a second division. She has attended Huntsville and Galveston twirling schools. Molly has another year in front of the Corrigan Band.

The Corrigan Chapter of Future Homemakers of America has been one of the most active organizations in high school. The group met once every month. The national F. H. A. Week was held on October 31 through November 6. Each day was named for the achievements to be made: "Go to Church Day", "Hobo Day", "Teacher's Day", "Convention Day", and the Emblem Service. The Fat Stock show was a big event of the year. One of the high lights of the future will be the planned Mother-Daughter Banquet.

## DISTRICT II MEETING

Thirty members of the Corrigan FHA Chapter attended the annual District II meeting, which was held at Livingston. The Area IX President from Livingston conducted the installation of new officers, and Olive Jeanfreau was installed as the new District President. An interesting program followed, including the FHA Rose Ceremony, a song by Bettie Lazalier accompanied by Linda Safford, a panel from Sam Houston State College at Huntsville, and skits presented by the various chapters, with Olive presiding over the meeting.

## GIRLS' 4-H CLUB

The Girls' 4-H Club, similar to that of the boys, have many interesting projects. Those interested in livestock sometime enter their pets in the county fair. They have a large and active club here at school.

"I believe in the future of farming." These words are spoken by thousands of boys each year. Every boy knows these words hold truth, for he has been taught the value of them in his vocational agriculture training. Now he is attaining a new goal. He is becoming a member of the F. F. A.!

The Future Farmers of America is a non-profit, non-political, farm youth organization of voluntary membership, designed to take its place along with other agencies striving for the development of leadership, the building of a more permanent agriculture, and the improvement of country life. The F. F. A. is 100% American in its ideals and outlook and has no outside affiliations. There is no secrecy in connection with any of its activities.

It is no wonder then, that every boy who has obtained membership in the organization will tell you that he is proud to have been able to serve the F. F. A.!

The Greenhand Chapter consists of first year students who are regularly enrolled in Vocational Agriculture.

This is the first active degree of membership and is organized for the purpose of training first year students in Chapter Farmer work.

The 4-H Club is designed to train boys in various aspects of agriculture and cattle.

Participation in the Trinity-Neches Regional Fair always highlights the year's work for the Club.

## THE NATIONAL F. F. A. CONVENTION

Each year the National F. F. A. Convention is held in Kansas City, Missouri. This point has been established because it is located in the center of the United States and in the main section of the country where the value of scientific farming has been realized. This year these boys represented the Corrigan F. F. A. Chapter at the convention: Arthur Ray Lowe, Joe Brett, and Ed Wayne Barton.

Yearly as the boys arrive in town, everyone goes all out for the convention. There are banners waving, people shouting, and a stepped-up tempo of the bustle of city life. The city is widely publicized and with plenteous hotel accommodations, it is an ideal spot for the convention.

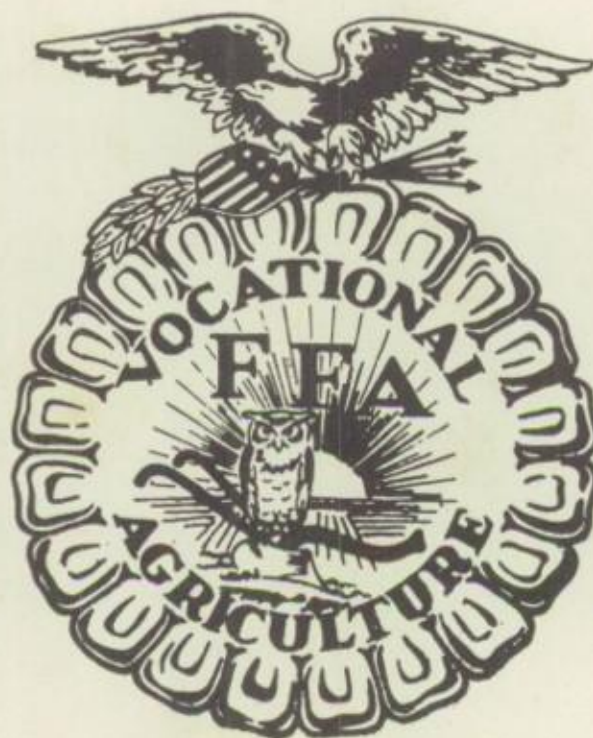

At the convention each year the new officers are elected, donors are recognized, the public speaking contest finals are held, all of the highest awards of the F. F. A. organization are given, and the national business is taken care of. The attending of the convention is truly the highlight of a year's work in the F. F. A.!

## SENIOR CHAPEL PROGRAM

One of the most outstanding of the senior assembly programs is pictured above. They acted out the play "The Brutal Miner," and each actor did a great job of acting his part.

"To Tell the Truth" was acted out by the Juniors. It, too, was an outstanding program. The juniors show much ability. We are looking forward to seeing many more interesting programs the juniors will give.

## JUNIOR CHAPEL PROGRAM

## SOPHOMORE CHAPEL PROGRAM

A special number on the musical program presented by the tenth grade was a rendition of "Sixteen Tons" by Dee Henderson and Sam Wilson, accompanied by Rosie Wilder.

"The Merry Oldsmobile" in pantomime, was presented by members of the freshman class. It was an excellent dramatization of the early auto.

## FRESHMAN CHAPEL PROGRAM

## EIGHTH GRADE CHAPEL PROGRAM

The name of this eighth grade program was "A True Incident of the Civil War." It is a Memorial Day play of good will. The plot revolved about the family of a Confederate Soldier whose life was saved by A Union Soldier.

"Seven Little Braves," a three-act play, was the name of this program. The scenes:  
1. The Spanish explorers were complaining of aching legs, weak ankles and sore toes from chasing Indians. 2 Four Indian girls grinding corn and sewing animal skins. One has a bottle of eight hundred fleas she has collected. 3. After turning the fleas loose on the explorers the girls tell of the incident.

## SEVENTH GRADE CHAPEL PROGRAM

The annual Elementary School Christmas program was presented in three parts this year: The Fir Trees by the Primary Department, Dear Santa by the third and fourth grades and the Nativity Story by the fifth and sixth grades. The Program was enjoyed by all who attended but more so by those who presented it.

## FLAG RAISING CEREMONY

For the second year we have the morning flag raising ceremony. To The Colors is played by different members of the bands cornet section and the students rise and repeat the Pledge of Allegiance led by Ernest Day.

From 8:00 until 8:20 each morning, the students who wish to start their day off right meet in the auditorium to sing songs, hear a devotional by one of their fellow students, and have prayer. Everyone is invited and the teachers urge the students to attend.

## MORNING WATCH

## LIBRARY ASSISTANTS

A great deal of credit is due these students who have volunteered their study hall time to work in the library. These students work with Mrs. Morrison in keeping the library in proper order by checking books and returning them to their places when they are turned in.

## PRINCIPAL'S OFFICE HELP

Also, we owe a lot to these students. They are the office help of C. H. S. It is they who help hold the office in place during the absence of Mr. Cockrell. Without them, Mr. Cockrell could not be a teacher and the principal of Corrigan High School.

## PARENT-TEACHERS ASSOCIATION

The Parent-Teacher Association of Corrigan is one of the most vital links between the school and the community. The PTA engages in and supports many activities each year that improve the school program and promote better understanding between parents and teachers. Some of this year's functions have included the annual Hallowe'en Carnival, study courses, and panels.

## 1955 JUNIOR-SENIOR BANQUET

Colorful decorations, soft music, and a menu in French set the mood for the 1955 Junior-Senior Banquet, "A Night in Gay Paree." Mr. B. E. Shelton, as master of ceremonies, kept the food and talk moving at a lively pace. The Reverend Mr. Stebbins, of the First Presbyterian Church of Livingston, was the speaker of the evening. Following the banquet was the reception in the gymnasium, still carrying out the Parisian theme. It was an event that both the juniors and seniors of '55 will long cherish.

Private piano lessons given by Mrs. Allen Rowe are a familiar scene at C. H. S.

The Old Candy Store, under the supervision of Mr. Dick Skinner, is a "must" at C. H. S. If a pupil or teacher goes missing, you'll know where to find him.

## PUBLIC SCHOOL WEEK

The purpose of Public School Week was to arouse an interest in our public schools. Each day of the week of March 5th was designated especially for visitation in certain grades. In the elementary school parents spent most of their time in the classroom observing the work of the teachers and students. In high school part of the time was spent in classroom observation and part in a program in which students gave demonstrations of various phases of school activities.

The annual staff expresses its appreciation to Joe Ed Manry for his co-operation in compiling the Activities section of the annual.

## SENIOR BOX SUPPER

The Senior Box Supper was a very enjoyable event! All of the girls brought lunches in beautifully decorated boxes. Each box was sold to the highest bidder. Charlene Brock was presented as Miss Valentine. Everyone enjoyed the food and the games.

## DEDICATION

The Corrigan High School athletic teams have many loyal supporters, all of whom we are very proud. However, there is none more deserving of this dedication than the C. H. S. Band. The band, dressed in blue and white uniforms, is seen at every football game. They are not there just to present entertainment. Usually one can hear bells ringing, horns blowing, and voices yelling from the band's section of the stadium. They are not there just for their own pleasure. They are there to see and to help their team win a game. If the boys do not win, the band members have no less school spirit than before the game began.

There is more to be considered than just what one sees at the game. On days before games, Mr. Shelton and the members of the band stay after school for long hours of practice. During school hours, each of the members has a period during the day when he goes to the band hall and gets individual or group advice from Mr. Shelton. On Fridays before games the student body goes to the auditorium for a short pep rally. The band plays and usually contributes a great deal of the enthusiasm.

Bearing all these things in mind, the athletic department takes great pleasure in dedicating this section of the Blue Quill to the Corrigan High School Band.

Assistant Coach

Mr. James Manchac  
Assistant Coach

The students and all the supporters of Corrigan High School are extremely proud of this coaching staff. There have been many events during the past football season which could well cause most persons to become disgusted. However, these three men have always been willing to bear the responsibility for any of these things and they have done it with a smile. They are doing a fine job and we who are associated with them wish to extend a hearty "thanks".

Donald Spurlock

Donald is one of the greatest football players to ever play for the Blue and White. A co-captain this year, he has made the first all district team for the last two years. He was a fierce blocker and tackler and was in the very thick of the roughest plays. He has set a fine example for future C. H. S. players and he will be greatly missed by Corrigan teams in years to come.

J. H. Bergman, Senior end: "Bob" developed very well this year as an important defensive man. He could adapt himself to several positions and will be missed by the team next year.

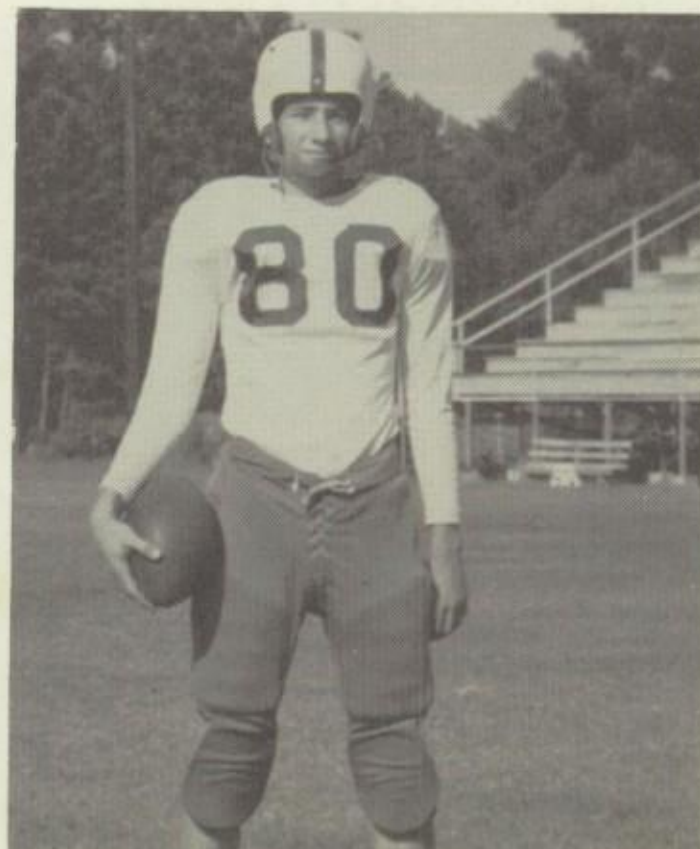

Joe Henderson, Senior tackle: One of the season's pleasant surprises, Joe was a constant worry to his opponents. His aggressive play will cause him to be greatly missed next year.

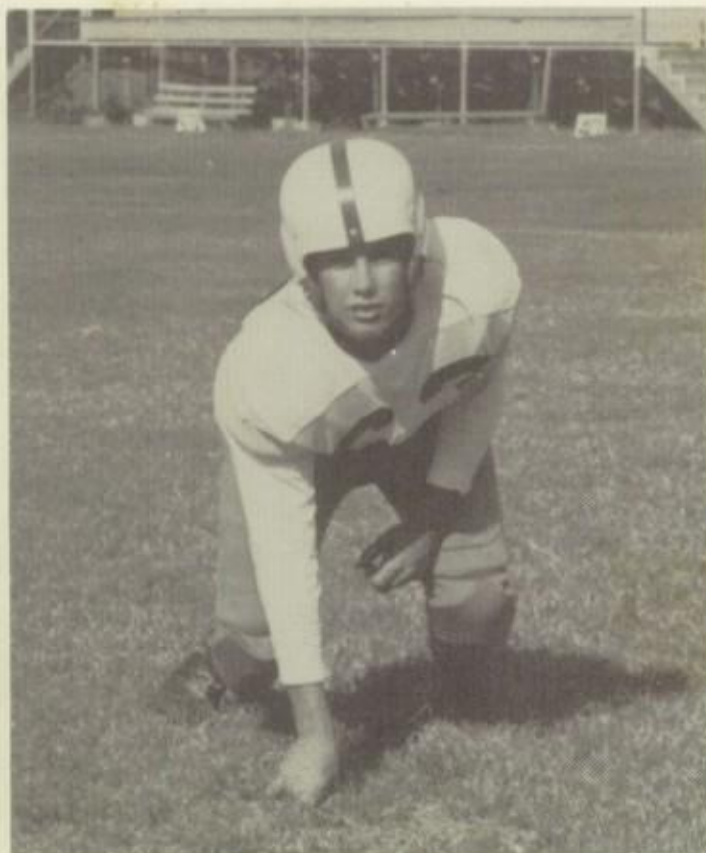

Edwayne Barton, co-captain, Senior halfback: Edwayne showed good spirit and played well on both offense and defense. His capable leadership will be missed by next year's team.

Chris Nelson, Senior end: Chris showed fine ability as a pass receiver and offensive player. He will be missed by his teammates next year as he is another Senior lost by graduation.

He promises to be a very fine  
player in his next year for C. H.  
S.

Larry Buckley, Junior center:  
Larry is a hard hitter with plenty  
of weight behind him. He was a  
great help to the team and the  
fans are looking forward to a  
good season from him next year.

Ashley Bacon, Junior tackle:  
A friend ru....btae(  
A fierce blocker and tackler, Ash-  
ley was a very valuable lineman.  
He is a fine player and everyone  
looks forward to a great perfor-  
mance from him next year.

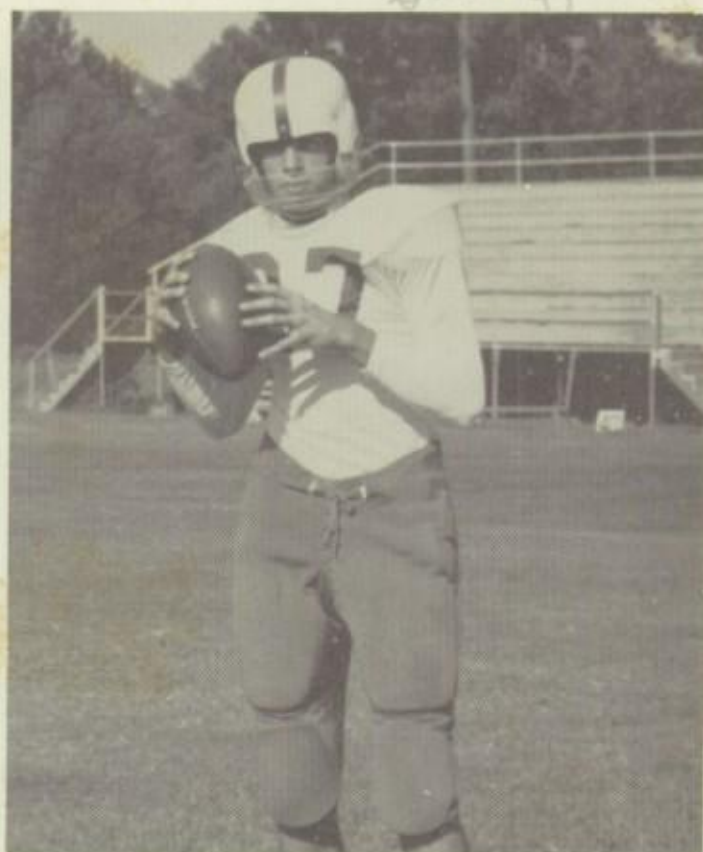

Harold Byron, Junior guard:  
A good lineman, Harold was in  
on most of the hard tackles. He  
is a valuable man and his team-  
mates will be glad to have him  
back for another season of play.

Joe Brett, Junior Center: Joe has shown lots of spirit and hustle this year and has progressed very rapidly. We all look forward toward seeing him play next year.

Robert Cockerell, Sophomore quarterback: A fine passer and punter, "Shorty" quarterbacked the team well this season. He should carry a great part in leading the team to victory next season.

John Edens Carter, Junior guard: John always seemed to enjoy playing the game and he was a fine teammate. His friends will be glad to see him back again next year.

Jimmy Brock, Sophomore halfback: Jimmy was a pleasant surprise this year with his speedy ball handling. He played a good bit this year and should be a starting backfield man next year.

James Henderson, Sophomore guard: One who enjoys the game, "Big Red" likes it rough. He played a good bit this year and should be an even more outstanding line-man in his next two years.

Robert Chisolm, Sophomore halfback: A member of the second all district team this year, Buddy has great ability as a ball carrier. He was one of the leading ground gainers in the district and is expected to carry a large share of the load in his next two years.

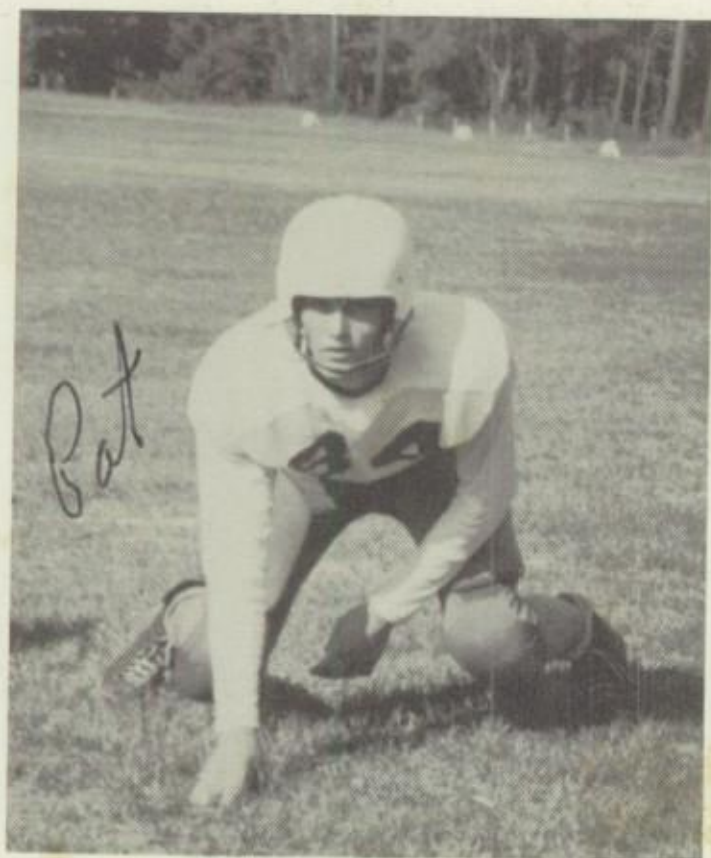

James Smelley, Sophomore tackle: This was James' first year on the team but he showed great ability to break through his opponents line. Much is expected of him in the '56 season.

Melvin Durham, Sophomore end: Melvin progressed rapidly this year. Much is expected of him in his next two years for the Blue and White.

Pat Knox, Sophomore end: This was Pat's second year for the Bulldogs and he was an outstanding player. His teammates are fortunate in having him back for more football playing at C. H. S.

George DuVall, Sophomore tackle: This was George's first year of play for the Bulldog team and he was a determined player. He is expected to be right in with his teammates the first practice next fall.

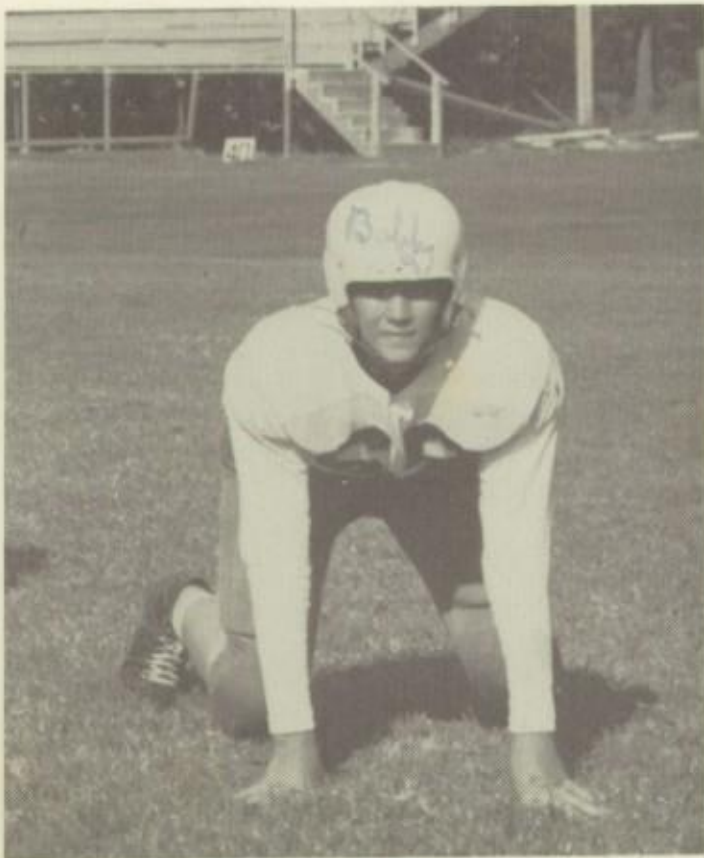

Clyde Lafferty, Sophomore end: Clyde is improving with each day of practice. His determination should make him a valuable player in his next two years of play for the Blue and White.

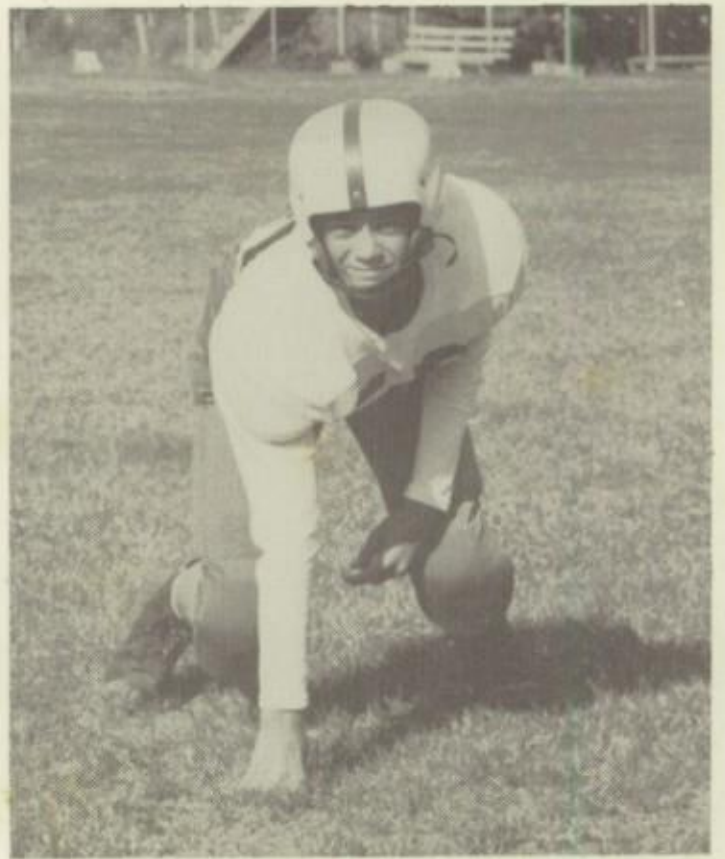

Lynn Miller, Sophomore half-back: Lynn was a determined lad with a strong desire to win. He served the team well this season. His teammates will miss him next fall as he has moved to another town.

# SUMMARY OF THE 1955 FOOTBALL SEASON

## Corrigan versus Tarkington

The Bulldogs took the opening kickoff and drove 61 yards to score. Things became a little tougher in the second half but the Bulldogs got straightened out with little difficulty. All of the Corrigan first string backs scored with Robert Chisolm scoring three touchdowns. The final score was 39 to 12 in favor of Corrigan.

## Corrigan versus Colmesneil

Corrigan came out on the short end of a 21 to 12 score against the Bulldogs from Colmesneil. Fine performances were turned in by Van Spurlock, Joe Henderson, Lynn Miller, and several other Bulldogs.

## Corrigan versus Chester

The Corrigan team had little trouble in defeating their old rivals to the score of 41 to 6. Robert Chisolm led the Bulldogs offensively while Van Spurlock, Ed Wayne Barton, Joe Henderson, and Pat Knox, turned in fine games on defense.

## Corrigan versus Teneha

The Bulldogs put on a fine show of determination to tie the Teneha Tigers 13 to 13. Ashley Bacon, J. H. Bergman, Harold Byron, and Jimmy Brock played fine games defensively. Corrigan was outweighed considerably per man but proved to be faster.

## Corrigan versus Warren

The C. H. S. team had a tough time getting started and as a result dropped a 20 to 13 decision to the Warren Warriors. The Bulldogs experienced many bad breaks and injuries which slowed them down.

## Corrigan versus Groveton

This first district game proved to be a 33 to 0 decision for Groveton. Corrigan was greatly hampered by injuries. They were able to complete some fine passes from Robert Cockerell to Lynn Miller and Chris Nelson.

## Corrigan versus Trinity

The Bulldogs were handed another defeat by the Trinity Tigers, 19 to 6. The game saw some fine running plays on both sides. Larry Buckley, James Henderson, and several other Bulldogs played a fine game.

## Corrigan versus Diboll

Corrigan had another rough time against Diboll and was defeated 39 to 8. The Bulldogs committed several costly fumbles. Robert Chisolm scored the only Bulldog tally, but James Mulligan played a fine game.

## Corrigan versus Woodville

The Corrigan team was soundly trounced by the very powerful Woodville Eagles to the score of 75 to 6. The Bulldogs could not stop Woodville, but a very fine performance was turned in by Van Spurlock.

## Corrigan versus Lufkin "B"

The Lufkin "B" team defeated the Bulldogs 33 to 0 in the final game of the season. The Corrigan offense could never materialize and although they completed some beautiful running plays, they could never quite do the job.
